

## Flood

Your name

--

### Disaster resilience challenge

Has a flood ever happened in your area? If yes, provide some more information about it.

Explain what you need to do to prepare for a flood.

Describe some things you would include in your family's emergency flood plan.

What kinds of things would you include in your family's emergency flood kit?

**Flood**

Your name

--

If there was a flood in your area, what would you do to be safe?

How will you know if there is a flood about to impact your area?

How can young people your age help the community to become more resilient to flood hazards and disasters?

**Flood**

Your name

--

**Tilly Smith – Lessons save lives**

Where did Tilly go to school?

Where was Tilly on Boxing Day 2004?

What did Tilly do when she realised that a tsunami was coming?

How old was Tilly when the tsunami happened?

Why is it important for young people to learn about disaster resilience?
